

Notice to Candidates Receiving Fundamentals of Engineering (FE) or Fundamentals of Surveying (FS) CBT Examination Results from NCEES

There is NO fee associated with EIT or LSIT Certification Applications.

Candidates must have designated South Carolina as the FE or FS exam state when registering with NCEES

Candidates Passing the FE examination (EIT Certification):

Statutory Authority: Title 40, Chapter 22, Code of Laws of South Carolina (1976, as amended) Section 40-22-220(B), to be eligible for certification as an engineer-in-training, an applicant must be of good character and reputation and be able to effectively communicate in the English language. The minimum evidence satisfactory to the board that an applicant is qualified for certification as an engineer-in-training is:

- (1) graduation in an EAC/ABET accredited engineering curriculum of four or more scholastic years and passing of NCEES examinations as required by the board; or
- (2) graduation in a baccalaureate degree program and completion of an engineering curriculum found to be substantially equivalent to an engineering curriculum accredited by EAC/ABET or graduation in a TAC/ABET accredited engineering technology curriculum of four or more years from a school or college approved by the board as being in satisfactory standing and passing NCEES examinations as required by the board.

The Board will recognize the degrees of Master of Engineering or Master of Science in Engineering in a program accredited by EAC/ABET at either the baccalaureate or masters level as fulfilling education requirements per Regulation 49-200.

Applicants holding foreign engineering degrees or non-EAC accredited degrees must have the education evaluated by an acceptable education evaluation service prior to approval as an EIT. Upon receipt of your application and transcripts, you will receive additional information regarding the education evaluation if it is required.

Official transcripts are required and must be sent directly to the Board office in an envelope sealed by the Registrar's Office. Upon receipt and approval of your application and official transcripts, the EIT certification card will be mailed.
