

Frequently Asked Application Questions

Q. What are the requirements to become licensed as an engineer or surveyor and where can I get an application?

A. Requirements, instructions and applications for engineers and surveyors are found on the website at [Applications/Forms](#).

Q. Once I have my application ready to send to the Board for approval, where do I mail it?

A. If mailing via regular mail, the address is LLR-Engineering & Surveying Board, PO Box 11597, Columbia, SC 29211-1597. If mailing via overnight mail, the address is LLR-Engineering & Surveying Board, Kingstree Building, 110 Centerview Drive, Columbia, SC 29210.

Q. I want to upgrade from Category B to Category A licensure. What should I do?

A. You should complete the application for [Engineering Technology](#) degree graduates and be prepared to complete the [Portfolio Review process](#) explained on this web site or get additional coursework to make education “substantially equivalent”.
