NEW THIS YEAR! If you received your registration to practice as a Pharmacy Technician in South Carolina for the first time between **July 1, 2017**, and **June 30, 2018** you are exempt for the CE requirement for this renewal period.

During the week of June 18-29, the Board will accept walk-in renewal applications; however, due to the large volume of incoming renewals during that time, staff will not be able to issue a registration onsite. Please be assured your renewal will be processed, and your registration will be mailed to you within five business days. To avoid delays in receiving your 2018 registration, you are encouraged to renew at least two weeks prior to the June 30th deadline.
